

Having a passion for Jesus, which translates into a compassion for the world.

New Life Youth Registration form

New Life Youth is the youth ministry department at New Life Church, Derby which is open to young people from school year 7 up to and including the age of 18. Our purpose is to enable and equip young people to grow into mature disciples of Jesus Christ within a vibrant, caring and safe environment. We do this through a number of activities including Bible study groups, worship and prayer meetings and social events where we encourage our young people to build healthy relationships.

This form notifies us of your consent for your child to attend activities and events such as the ones described above. If we take the group on any trips away from church, we may ask for further consent.

Please complete and return to New Life Church, Normanton Road, Derby, DE23 6UU.

Please note: We expect parents/carers to drop off and pick up their children to and from all New Life Youth events unless prior agreements with us are in place.
